

RCVFD Newsletter

Our annual meeting was held on April 24, 2010. We had enough people in attendance to establish a quorum. There were no meeting minutes to approve because there has not been an annual meeting for the past two years. Some points that were discussed at the meeting were

- Improvements that have been made to station 2 in Mores Creek.
- We received a donation of a fire truck and over \$7000.00 from a department that was dissolved.
- Our new ISO rating is an 8. You may be able to save some money on your homeowners insurance with the new rating.
- We are looking for volunteers to help with the department. There are many ways you can help. We are interested in finding people to help with the board, help with our annual fundraiser, be on the department or help at the stations by cutting grass, plowing etc...
- Our fundraiser last year raised \$5,500. We are planning the fundraiser for this year September 18, 2010. Any help we could get would be greatly appreciated.
- Treasurer's report. We currently have enough to get thru the next year but subscription payments have been dropping each year and we discussed becoming a taxing district. It was approved three years ago to be put on the ballot.
- Motion was made to increase subscriptions to \$85 a year. It was approved and will start next year.
- Motion was made to elect Christian Dalstrom as Treasurer. Approved.

- Motion to retain current board members. Approved. We still have the Vice President position open.

Notes from the Chief.....

Just a reminder, burn restrictions are in effect from May 10th until July 1st. You can burn with a permit only during this time. After July 1st there is a burn ban. No burning at all not even with a permit. We are looking for people that are interested in volunteering. Not only do we need fire fighters we also need people to volunteer to do other activities such as snow removal, grass cutting, maintenance, community outreach and many other activities. Even volunteering once a year for a day helps. Please contact us if you are interested or if you have any questions. Check out our web site at robiecreek.org You can pay your subscription online, view our blog for current events and information.
